Letter No. 1028/30-31 dated 24th Dec 1930 from the Muzrai Commissioner recommending the Extension of the period of Special duty of Messrs. M.N. Anandalwar and G Srinivasaya with Establishment to the End of June 1931 for the present, the charges on acct of pay and travelling allowance being met as heretofore.

It is stated that an increase is anticipated of the Genl Muzrai Fund, the addition to the corpus being estimated at about Rs 2766 in the Talukas of Seringapatam and T. Narsipur, as a result of the Special Duty Amildars' work in the Mysore District for 3½ months. In view to the importance of the work, the Muzrai Commissioner has permitted Mr. Anandalwar to go on with the special work after 1st January 1931 and requests approval to the arrangement. The extension of the Muzrai Establishment is recommended by the Dy Commr Shimoga and recommended by the Muz Commr. In another connection the benefit to the Genl Muz Fund from the investigations of the Special Duty Officers has been reported.

Submitted for orders.

Adverting to correspondence ending with ..O.No.68-72 Muz.335-28-19 dated 11/15th Jul, 1930 sanctioning the continuance of Mr. T. N. Anandalwar, as Special Duty Builder, and his establishment for a further period of 6 months from 1st July 1930, I have the honor to state that T. Anandalwar entered upon his duties in the Mysore District on the 17th July 1930 and to submit herewith for kind perusal of Government his diaries for the months of July, August, September and October 1930 together with the Deputy Commissioner's review thereon.

2. Since joining the Mysore District, the work in respect of two heavy taluks has been completed and the Special Duty Builder is continuing work in other taluks. From the statement appended to the Deputy Commissioner's letter No. 1321/30 dated 10th December 1930 addressed to Harikrishna Devaru for further sanction to the extension of the establishment for a period of 3 months, definite instructions in the matter of grant of Rs.137-2-0 and of free lands of the respective extent of 113 acres with an assessment of Rs.324/- and an annual estimated income of Rs.1322/- have been issued to the Special Duty Builder. On final orders in respect of the above definite instructions are passed, a credit will be required of Rs.2760-5-5 to the cost of the Special Buildings for the three taluks alone. On reference to the Deputy Commissioner of the Mysore District about the scope of the Special Duty Builder, instructions have been issued

Sc. C lines as he did in Shimoga, i.e., to investigate of defunct institutions and unauthorised alienations thoroughly as possible and prepare the records disposal by the Sub Division Officer under the provisions the Mysore Religious and Charitable Institutions Regulation of 1927, just as the local Amildar would have done if such cases had been handled by him.

3. If the work has to be done in the manner indicated above, the period of Special duty has to be extended by 6 months at least from 1st January 1931, having regard also to the fact that there are more institutions to be handled in the Mysore District than in Shimoga District. Though the number of institutions to be investigated in the other Taluks may not be as large as in -- Periyapatna and K. Narasipur Taluks, still the aggregate work of all the remaining Taluks will keep him fully engaged for 6 months from 1st January 1931. Besides, the Special Duty Amildar has to be check the work of the Special Revenue Establishment sanctioned in Government Order No.61-2/Muz.27-30-2 dated 12th July 1930 occasionally, and also finally consolidate the work done by him in the Shimoga District. The report of the Special Duty Amildar dated 18th October 1930 and the Deputy Commissioner's review thereon (in original enclosed) give a correct idea of the work so far done and the work still remaining to be done.

In view of the above, I beg to recommend that the period of Special Duty of Mr. M. R. Anandalwar and of his establishment may be extended up to the end of June 1931 for the present, the charges on account of pay, T.A. etc., being met from the General Muzrai Fund, as heretofore.

4. In this connection, I beg to state that the Deputy Commissioners of Districts have been requested to send by means of -- R.T. accounts the cash balances available at the credit of defunct

have requested the Deputy Commissioner to permit Mr. Anandalwar to go on with the work on and after 1st January 1931 and I request that my action may be kindly approved.

5. I submit herewith copy of letter No. Muz.I.C.287/29-30 dated 20th December 1930 from the Deputy Commissioner, Shimoga District, recommending that the period of Special Duty of the Muzrai Auditor Mr. G. Srinivasiya may be extended up to the end of June 1931 by which time the investigation work in the District is expected to be completed. The Auditor's diary for the month of October 1930 together with the Deputy Commissioners review is submitted for perusal. As there are two more Taluks to be completed, I beg that the Deputy Commissioner's recommendation may be approved, the charges on account of pay and Travelling allowance being met as hereto-fore. If the work of the -- Auditor in the Shimoga District could be completed before the end of June '31, he will be deputed to Mysore District to work in that District and finish it early.

I have the honor to be,

Sir,

Your most obedient servant,

Yuvarajuiga Rao,

for Muzrai Commissioner.

Letter No.Uz.1-1,287/29-30 dated 20th December -- 1930 from the Deputy Commissioner Bangalore District to the Uzrai Commissioner in Mysore.

In submitting herewith the report No.67/30-31 dated 7th December 1930 from the Uzrai Auditor, Sri [illegible] there are two more taluks where investigation has yet to be completed each taluk requiring two months time and that he has to see to the collection work in the Chennagiri Taluk and must dispose of the pending references and requisitions at this period of special duty which is to be extended by six months i.e., to the end of June 1931, I have the honour to recommend that the period of special duty of the Auditor be extended up the end of June 1931 by which time the investigation work in this District by the Uzrai Auditor will be completed.

Early sanction is solicited.

Government orders No.2245-9/Muz.335-28-19 dated 23rd June 19[illegible] No.52-3/Muz.335-28-19 dated 11th July 1930 and No. 68-72/ Muz.335 19 dated 12th July 1930 sanctioning the extension of the period the Special Duty of the staff for the investigation of cases of authorised enjoyment of Muzrai Inam grants for a period of six m from 1st July 1930.

2. The following letter from the Muzrai Commissioner No.10 of 1930-31 dated 24th December 1930 requesting the extension of period of Special Duty of Mr. K.V. Anandalwar and his Establishm as well as that of Mr. G. Srinivasaiya to the end of June 1931, charges on account of their pay, Travelling Allowance &c. being as heretofore:

"Adverting to correspondence ending with G.O. No. 68-72/Mu 335-28-19 dated 11th/12th July 1930 sanctioning the continuance Mr. K.V. Anandalwar, as Special Duty Auditor, and his Establishm for a further period of 6 months from 1st July 1930, I have the honor to state that Mr. Anandalwar entered upon work his duties in the Mysore District on the 17th July 1930 and to submit herewith for kind perusal of Government his diaries for the months of July August, September and October 1930 together with the Deputy Commissioner's review thereon.

3. Since joining the Mysore District, the work in respect of two heavy Talukas has been completed and the Special Duty Auditor is continuing work in other Talukas. From the statement appended to the Deputy Commissioner's letter No. 4221/30 dated 16th December 1930 addressed to you it will be seen that during the short period of 3½ months, defunct institutions in the enjoyment of grants of Rs. 137-2-0 and of Inam lands of the aggregate extent of 113 acres with an assessment of Rs. 324/- and an annual estimated income of Rs. 1822/- have been found out by the Special Duty Auditor. When final orders in respect of the above defunct institutions are passed

thereof, there will be an addition of about Rs. 2760-5-5 to the corpus of the General Muzrai Fund from these two Taluks alone. On a reference made by the Deputy Commissioner of the Mysore District about the scope of work of the Special Duty Amildar, instructions have been issued that the latter should conduct the investigation on very much the same lines as he did in Shimoga, i.e. to investigate cases of defunct institutions and unauthorised alienations in as thorough a manner as possible and prepare the records for final disposal by the Sub-Division Officer under the provisions of the Mysore Religious and Charitable Institutions Regulation of 1927, just as the local Amildar would have done in such cases had been handled by him.

3. If the work has to be done in the manner indicated above, the period of Special Duty has to be extended by 6 months at least from 1st January 1931, having regard also to the fact that there are more institutions to be handled in the Mysore District than in Shimoga District. Though the number of institutions to be investigated in may not be as large as in Sampigehalli & Narasipur Hobli the other Taluks, still the aggregate work of all the remaining Taluks will keep him fully employed for 6 months from 1st January 1931. Besides, the Special Duty Amildar has to check the work of the Special Revenue Establishment sanctioned in G.O. No. Misc. 27-7-30-6 dated 18th July 1930 originally, and also finally consolidate the work done by him in the Shimoga District. The report of the Special Duty Amildar dated 18th October 1930 and the Deputy Commissioner's review thereon (in original enclosed) give a correct idea of the work so far done and the work still remaining to be done.

In view of the above, I beg to request that the period of Special Duty of Mr. [illegible] Amildar and Circle Inspector may be extended up to the end of June 1931 for the present, the charges on account of pay, T.A. etc. being met from the General Muzrai Fund, as heretofore.

4. In this connection, I am to state that the Deputy Commissioners of districts have been requested to send by the end of April the cash balances available at the credit of defunct institutions and since added on to the General Muzrai Fund. The work of [illegible] will not

C.R.C.7.

balances is likely to be very substantial and there seems to be no difficulty in meeting the charges of the Special Duty from the General Muzrai Fund.

Having regard to the importance and continuity of work, I have requested the Deputy Commissioner to permit Mr. Anandalwar to go on with the work on and after 1st January 1931 and I request that my action may be kindly approved.

3. I submit herewith copy of letter No. Muz.1. C.287/29-30 dated 20th ~~September~~ December 1930 from the Deputy Commissioner, Shimoga District, recommending that the period of Special Duty of the Muzrai Auditor Mr. C. Srinivasaiya may be extended up to the end of June 1931 by which time the investigation work in the District as is expected to be completed. The Auditor's ~~Quinquennial~~ Diary for the month of October 1930 together with the Deputy Commissioner's review is submitted for perusal. As there are two more Taluks to be completed, I beg that the Deputy Commissioner's recommendation may be approved, the charges on account of pay and Travelling Allowance being met as heretofore. If the work of the Auditor in the Shimoga District should be completed before the end of June 1931, he will be deputed to Mysore District to work in that District and finish it early."
